FROM

1936-37 TO 1940-41

Published by Order of the Governor-General in Council

PUBLISHED BY THE MANAGER OF PUBLICATIONS, DELHI.

[No. 4805.]

FOREWORD.

In this publication, statistics relating to Agriculture and Co-operative Societies generally relate to the year running from July to June. Figures in other cases relate to the fiscal year ending the 31st March, unless indicated as representing the calendar year. As in the preceding issues, the sources from which the figures have been compiled have been stated at the head of each table.

2. During the period of war, the publication of statistics on certain subjects was withheld for reasons of security. The preparation of the present issue proceeded on the assumption that the ban would continue. With the cessation of hostilities, however, the ban on the publication of statistics was lifted, but owing to the stage reached in printing, it has not been possible to re-include in the present issue the omissions in their usual context. Figures in the various tables have generally been confined to five years instead of ten years in the interest of paper economy.
